# The Politics of Women

...to effectively educate and influence others.

...to effectively educate and influence others.

...to effectively educate and influence others.

Professor of Philosophy,  
University of Pittsburgh

to effectively educate and influence others.

III. To influence legislators, the Center will be sponsoring petition drives and letter-writing parties to encourage students, faculty, and staff to identify in district representatives

From  
Uni

Monday, February 19th

Thurs

udies

The Center's student assistants will post information about national organizations which are engaged in lobbying to promote and protect women's rights. Joining such organizations allows you to become a part of these efforts. Finally, the Center will...

7:00 pm

Center for Women's Studies

Reception to follow

...the state legislature in Albany where students will have the opportunity to identify in district representatives about issues of concern to them...
